

Hudson Building Services again wins MBA Building Award

Rob Hudson of Hudson Building Services has again won an award for Best Residential Home, this time in the \$500,000-\$750,000 category at the 2014 Master Builders Association (MBA) Regional Building Awards on the 28th of June in Ulladulla. This award adds to the nu-

merous awards won in previous years. The winning project is located on Ocean Parade in Dalmeny and was completed in December 2013. This home was a knockdown and rebuild located on a headland within 50 metres of breaking surf and in direct line of sea mist. The architectural features of

this home were striking, with a range of composite materials. The judges were highly impressed with the high standard of finish and the builders' commitment to producing a quality product.

Hudson Building Services has also won several awards in previous years at the prestigious annual MBA building awards including Winner in the Best Residential House in its price category in 2012 for a knockdown and rebuild project in Potato Point, Winner in the Best Residential House in its price category in 2011 for a new house in Dalmeny, Winner of the New Builder of the Year in 2011 and Certificate of Excellence for the external cladding on a project in Dalmeny in 2011.

The area included for the MBA Regional Building Awards covers from Wollongong, Illawarra, Southern Highlands, South Coast to the Victorian border.

Rob Hudson would like to acknowledge and thank the many local businesses involved in the build that provided a high standard of finish and professionalism. These include Narooma Concreting, Narooma Floor and Wall Tiling, Kyle Burnell Electrical, Ben Dance Plumbing, Southern Visual Concepts, Narooma Excavator Hire, Joe Dirt Excavations, South

Coast Decorators, D & V Bricklaying, Dave Weisell Plastering, TrussPlus, Access stairs, Euro Timber Floors and Finishing, Moruya Engineering and Justin Keegan Contreting.

Also a special thank you the Hudson Building Services team, Dave Boxsell, Hahn Gunthorpe, Daniel Campbell and Mitch Jeffrey for their carpentry services and commitment to the project.
